## EDUCATION

---

BCA, CGC Technical Campus, Jhanjeri, Mohali (GPA: 7.24CGPA)	Jul '19 — Aug '22 Mohali, India
12th (Non-medical) , JNV Champawat, Uttarakhand (GPA: 81%)	Jun '16 — Jul '18 Champawat, India

## PROJECTS

---

Tulos E-commerce Website [Link](#)

- Developed a fully functional e-commerce platform using React.js, Redux, and SCSS
- Ensured optimal user experience across various devices by implementing responsive design principles, resulting in consistent performance and usability on desktops, mobile devices, and tablets.
- Integrated features allowing users to easily add/remove items from their shopping carts.
- Designed captivating product listings with detailed descriptions and appealing images for an engaging user experience.
- Optimized the project for efficient performance and visually appealing user experience

Next JS Dashboard [Link](#)

- Leverages Next.js 14's latest features for optimal performance, scalability, and developer experience.
- Utilizes Vercel/Postgres for a seamless deployment experience on Vercel's serverless platform while maintaining efficient data storage and management with PostgreSQL's powerful relational database capabilities.
- Integrates TypeScript for robust type safety and code maintainability.
- Enables CRUD (Create, Read, Update, Delete) operations on essential data, providing full control over data manipulation in your application.

Car Rental Website [Link](#)

- Developed a dynamic car rental website with enhanced interactivity using React, CSS, and Material UI.
- Enabled users to browse available cars with enticing images and comprehensive descriptions.
- Incorporated functionality for users to select rental dates, calculate costs, and make reservations.
- Ensured accessibility and responsiveness across various devices for a smooth user experience.
- Continuously refining and updating the website to meet evolving user needs and technological advancements.

## SKILLS

---

**Frontend Development** HTML5, CSS3, Javascript, React, SCSS, Tailwind, React Redux

**Backend Development** NodeJS, Express, MongoDB, SQL

**Database Management** MongoDB, SQL

## CERTIFICATIONS

---

**Web Designing, Training**

Solitare Infosys, Chandigarh
